

Product Information

AVENO Gear Extra 85W-140

0002-000203

Description

AVENO Gear Extra 85W-140 is a multigrade hypoid gear oil of highest stability and oxidation resistance. Its EP additives show a stable lubricating film even at the highest load on the tooth flanks and a high sliding component and reduce wear. AVENO Gear Extra 85W-140 is mainly used in heavily loaded hypoid gears with extreme operating conditions. It is the ideal transmission fluid for differential and differential in the rear axle.

Instructions for use

AVENO Gear Extra 85W-140 is used in maximum duty, hypoid-geared gears such as axle drives and manual gearboxes.
